Thursday August 18-Sunday August 21

Thank you for your interest in being a youth volunteer!

- **No one under 18 can volunteer without completing a permission slip.**
- **Youth 12 and under are invited to volunteer but only under the direct supervision of a close adult relative or friend. Contact me for shifts or work directly with the coordinator.**
- **Youth 13-17 can fill out the enclosed application to request an assignment or contact the areas they've worked for in the past to arrange shifts.**
- **If you are now over 18 please call the Irish Fest office and request a regular volunteer form.**

Family Opportunities
Welcome to our next generation of volunteers!
Kids of any age are welcome to join us in a first volunteering experience. Kids work with mom or dad or with the whole family in a fun job structured just for them.
These family shifts are 3 hours and are in sheltered locations with seating and a fun activity. Contact me for more details.

Before and After the Fest

There are great opportunities to volunteer the week before the Fest, in the morning before the Fest opens each day and on Monday August 23rd.

- Before Fest and morning shifts are great for Dance/participant Families who want to defray entry costs by volunteering and earning tickets to the festival.
- Monday after the Fest is a great party. We are always looking for able bodied youth over the age of 14 to help pack up and load our trucks. Lunch and snacks are provided and you will see a whole new side of the Festival. This is a great group activity for your weight-lifting buddies or sports team.

Rewards for Volunteering:

- A ticket to the festival for each day you work
- Tickets for you and your friends to the Thursday Hooley
- Food coupons when you complete your shift
- One parking pass per family, per day
