

Irish Fest Youth Volunteers

Welcome to our next generation of volunteers!
Shifts are available every day for all ages.

Kids under 12 can work with a family member and kids 13-17 are placed in great jobs all over the festival.

Jobs include:

- * Childrens area
- * Greeter/ gate volunteer
- * Cultural area
- * Parade helper
- * Grounds set-up and take-down

To volunteer: Go to the Irish Fest website and download our permission slip and application. Complete both and mail to address on the form.

To volunteer as a family with young children: Contact Liz at lzsanders@wi.rr.com. Family volunteering is a great way to learn about the fun of volunteering and do something new.

****All volunteers under the age of 18 are required to register with youth volunteers and complete a permission slip before the festival begins.**

**** Community Service hours and college recommendations available all year—contact lzsanders@wi.rr.com**
