HOW TO WRITE A LIMERICK

Read this sample limerick a few times. Note the rhythm and rhyme schemes.

To the Irish Fest grounds I did run ("A" end rhyme "un")
da DUM da da DUM da da DUM - (3 "DUMS" or BEATS)

I took my wife to have fun ("A" end rhyme "un")
da DUM da da DUM da da DUM- (3 "DUMS" or BEATS)

We drank and ate food ("B" end rhyme "ood")
da da DUM da da DUM (2 "DUMS" or BEATS)

Which fueled our good mood ("B" end rhyme "ood")
da da DUM da da DUM (2 "DUMS" or BEATS)

On Sunday we were sad it was done ("A" end rhyme "/un/")

- J. Dentice

THE CHALLENGE:

Using the first line given below, complete a limerick that:

- Matches the rhythm of the first line and its rhyme scheme in lines 2 and 5
- Follows the limerick rhyme and rhythm in lines 3 and 4 that's given on the previous page.
- Says something clever about Irish Fest, but in a family friendly way (wording inappropriate to our family festival will, alas, amuse the judges but be grounds for dismissing your effort from the competition).
