

Irish Fest Vegetarian & Gluten Free (GF) Options - 2021

The following are examples of vegetarian and Gluten Free food available. We recognize that vegetarian and vegan can have slightly different meanings. **The customer should check with the food vendor to make sure the menu item meets their dietary requirement.** This information is made available by Irish Fest as a service to our customers but Irish Fest assumes no liability for how the food is prepared or for what ingredients are used. An outdoor, fast food, festival environment for food preparation is not the same as a controlled indoor restaurant kitchen environment.

All menu items are subject to change without notice.
