Come Away – to Your Own Ones Author: Sile Post

A love story of the land the people and the heart of Ireland. A dramatic reading by the author.

"A contemporary tale that feels almost mythic in scope. Post has taken on some weighty environmental and economic issues, but at the core of the book is the desire to know oneself and find the elusive 'home' we as humans desire. Written in lyrical prose with lashings of Gaelic, *Your Own Ones* takes the reader from Canada to Ireland. "(book reviewer)
